

Builders **BOX**.co.uk

The site for local builders

MEDIA INFORMATION

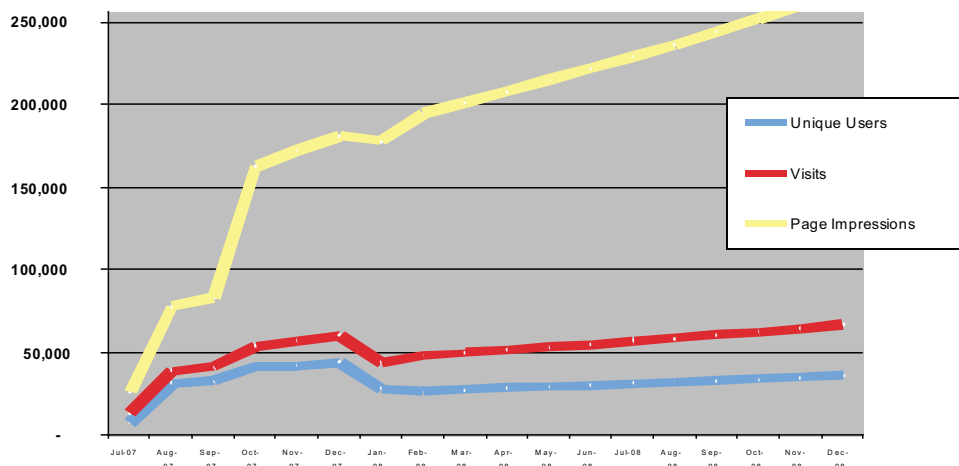

BuildersBox.co.uk is a brand new site providing essential information for builders. It's a site where you can communicate directly with the UK's local builders and be part of this fast-growing online community.

From our research we know builders go online every day and are heavily influenced by the products and services they see on websites.

This hard to reach market spend millions every year and **BuildersBox.co.uk** is the only site offering everything in one place for the trade.

We have a variety of advertising solutions, from channel sponsorship to banners and skyscrapers and from email newsletters to competitions and surveys. There is something for all campaigns and budgets.
